Home Bound Healthcare, Inc. Ranked Among Top 25 Percent of Home Health Providers in Country for 2007

Hazel Crest, IL, December 19, 2007 — Home Bound Healthcare, Inc. today announced that it has been named to the 2007 HomeCare Elite, a compilation of the most successful Medicare-certified home health care providers in the United States. This annual review identifies the top 25% of agencies, ranked by an analysis of performance measures in quality outcomes, quality improvement and financial performance.

The 2007 HomeCare Elite also indicates those providers who are included in the Top 100 and Top 500 of providers nationwide. The data used for this analysis was compiled from publicly available information.

"We applaud the success of all the providers named to the **2007 HomeCare Elite**," said Bill Bassett, Senior Director of Market Strategy at OCS, Inc. "Being noted as one of the top performers in the nation in this very competitive environment shows that **Home Bound Healthcare, Inc.** is dedicated to quality and performance."

Home Bound Healthcare, Inc., Jeffrey Kalkowski, Administrator, credits his staff and their relationships, with the company's ability to rank as one of the HomeCare Elite. He said, "We are extremely pleased to be included in the top 25%, as well as the top 500 Home Health Agencies Nationwide. It is an indication of the hard work and dedication that our clinical and administrative staff provide to all of our patients and their families.
